AN EXPERIENCE FOR A LIFETIME

MICFootball and Italy Experience is not just a tournament,

But an experience that will remain forever in the memories of the participants. A period in which thousands of young players from all over the world share the same passion on the field, facing the best clubs, competing against international teams and staying in the same hotels. The most competitive youth football competition!

MIC 2025

Athletes from all over the world were part of our delegations

IT ALL STARTS HERE

More than 400 players took their first step into the tournament a few years ago and are now in the spotlight. It all started with MICFootball.
